

CONONLEY PRIMARY SCHOOL
Inspiring and Challenging Our Children

Weekly Bulletin

December 8 2017

FoCS Christmas Disco

On Tuesday evening our children had a fantastic time at the FoCS Christmas Disco. The FoCS committee reported that the children were the best behaved of any disco they have ever organised, which was a good job, because Father Christmas made a surprise visit! Many thanks to Mr Bateman for generously supplying the delicious chocolate cookies and thank you to all the members of FoCS for taking the time and effort to organise this event for our children.

Christmas Gifts for the Elderly

If you would like to provide a gift for an elderly person who is in hospital this Christmas, please can you ensure that your gift is wrapped and also clearly labelled with its contents, so that it reaches a suitable patient. A poster with gift ideas is being sent out with this bulletin. Please bring all gifts to school by Tuesday 12 December.

Information for Parents and Carers

Recently we have had requests for tickets and Christmas lunches after the published deadline and this has caused a lot of additional work for the office staff and the catering staff. Please can all parents and carers check e-mails and text messages for details about school events, as deadlines will be strictly adhered to from January. Thank you in advance for your co-operation.

Achievement Assembly

There will be NO Achievement Assembly on Friday 15 December. Our final Achievement Assembly of the term will take place on Friday 22 December at 3pm when we will sing carols in the hall.
