### Outdoor Play

EYFS children were busy making and measuring a train, when they noticed a dead mouse on the playground! (There was also a guilty-looking cat nearby.) They used a magnifying glass to look at its tiny teeth.

### Musical Mayhem, Cononley Village Institute, Saturday February 3rd 2-4pm

Every year this event gives local people the opportunity to perform music in front of a sympathetic audience without any pressure. Lots of people come, some very experienced, others almost complete beginners, but everyone has fun doing their bit. In the afternoon we put on a session for children and adult beginners. If your child is learning an instrument this is an ideal opportunity to get a taste of playing in front of people. They can play as much or as little as they like - some have turned up to practise their exam pieces! It has been very fulfilling for those taking part. If you'd like your child (or yourself if you're also playing an instrument) to come, please let me know on 630872 or at [jandjnicholson@gmail.com](mailto:jandjnicholson@gmail.com) so I can sort out a rough order of play.

## Achievement Assembly

The next Achievement Assembly will take place on **Friday 19 January** at 3pm. Parents and carers are welcome to join our assembly and hear about the achievements of our children. This week, the children who will receive a 'Headteacher's Award' are:
