

CONONLEY PRIMARY SCHOOL

Inspiring and Challenging Our Children

Weekly Bulletin

January 19 2018

The BBC at Cononley Primary School

Yesterday, members of the School Council took part in filming for a TV cookery programme. They helped to make different Kashmiri recipes with Yazi which they served to their parents, siblings and other relatives at the end of the day. They had a brilliant time and were excellent ambassadors for our school. Here are some photographs of their experience.

If you would like to make your own Kashmiri food, Yazi's recipes are available on her web site: <https://www.amaali.co.uk/yazis-recipes>

Swimming Gala

Well done to our amazing swimmers who represented Cononley Primary School at the South Craven Cluster Swimming Gala. They behaved well, were great competitors and thoroughly deserved to be placed second over all.

Achievement Assembly

There will be **NO** Achievement Assembly next week. The next Achievement Assembly will take place on **Friday 2 February** at 3pm.
