Inspiring and Challenging Our Children

Weekly Bulletin

June 22 2018

This week, we were lucky to be visited by Mrs Walker, who is a Conservation Architect. She told us all about the work she is carrying out at Manchester Town Hall, including the restoration of the mosaics which decorate the building. Using photographs from Manchester Town Hall for inspiration, children designed and made their own mosaics. Thank you, Mrs Walker.

South Craven Cluster Mini Olympics

Well done, Year 1 and Year 2! Once again, you are South Craven Mini Olympic Champions. Thank you to all of our parent helpers for your support.

Malham Residential

This afternoon, Year 5 returned from their residential to Malham. They had a fantastic time learning about the local area and took part in activities such as map reading and walking. Parents and carers will be invited to see the photographs before the end of term.
