Living Books

On Wednesday, as part of our Global Learning fortnight, we welcomed some visitors from the Craven Living Books project. This project was set up to celebrate the diversity that exists within the Craven district. Kai and Laiza told us about their lives and our children were able to ask questions.

Please can all parents and carers take great care outside school at the start and end of the day, both as drivers and as pedestrians. The road is very congested at pick up and drop off times. Please could all drivers avoid stopping on the yellow zigzag lines. Thank you.

As part of their work for Global Learning fortnight, the Silver Birches have designed their own games to encourage everyone to re-cycle!
