

Information about Lessons Available in Schools

Lessons take place in school during the school day and are available to pupils attending LEA schools throughout North Yorkshire.

- A minimum of 28 lessons is offered each academic year - though in practice the total could reach 32.
- Lesson length will be between 20 and 30 minutes, depending on the group size and tuition option chosen.
- Every effort is made to fit in with school timetabling requirements and to ensure that there is minimum disruption to lessons in school. Tuition in most Secondary schools is on a rotating timetable so that students do not miss the same lesson each week.
- Progress reports are issued at the end of the first term of tuition and in the Autumn Summer terms.
- It is vital for good progress to be made that pupils practise between lessons. Parents are asked to encourage playing of the instrument - appropriate guidance will be made available.
- The cost of lessons is still subsidised and currently stands at £68.00 per term for tuition in a Standard Group: Individual lessons are also available. The Service offers a discount for families with more than one child having lessons and remission schemes for qualifying benefits – please Tuition fees for details.
- Fees can be paid either by direct debit or cheque (termly in advance). Full details are given as part of the registration pack
- A registration pack will be emailed to you once the teacher confirms that lessons can go ahead.
