Aims of the policy:

To establish a framework for the employment of Volunteers.

Purpose of Policy:

- To provide Volunteers with an understanding of their role and responsibilities
- To ensure that staff appreciate the value of Volunteers
- To ensure that Volunteers receive equal and fair treatment

The policy will be available to all potential and serving Volunteers. It will be reviewed regularly with input being invited from relevant staff and from Volunteers.

Why are Volunteers essential?

NYCC has ambitious targets to meet and Volunteers are an essential element in the effort to achieve them. NYCC welcomes the goodwill, skills, knowledge and experience that Volunteers can offer. Volunteers are valued colleagues whose involvement will enrich the work experience of staff as well as their own lives.

How do Volunteers help?

Volunteers help by providing support to NYCC in all aspects of its work.

How do Volunteers fit in?

Volunteers are unpaid members of staff. Their employment with NYCC is tailored to suit both the needs of NYCC and to their own interests, skills, knowledge and experience.

Volunteer commitment

It is recognised that Volunteers offer varying amounts of time to work with NYCC. The amount of time that Volunteers are prepared to commit to will be discussed when they start their volunteering experience and may be changed at any time by mutual consent.

Volunteer recruitment

Volunteers are welcomed from all backgrounds and cultures, from all abilities and ages. Volunteers will be expected to complete an application form and will be invited for interview. Volunteers will be expected to undergo any requisite medical and other checks (e.g. DBS) prior to appointment.

Induction and Training

Volunteers will be expected to attend an induction meeting with the headteacher or the classroom teacher who will report to the headteacher. Basic information and training requisite to their role with NYCC. All volunteers are expected to read, agree and sign the school Code of Conduct for Staff, Governors and Volunteers. All volunteers are expected to read, agree and sign the documents listed in 'Volunteers and Safeguarding at Cononley Primary School' which can be found on the school web site (Policies / Safeguarding).

Volunteer management

NYCC wants Volunteers to get the most from their contribution and will aim to provide a rewarding experience. To achieve this staff will offer support and encouragement, recognising that the same principles of good management and supervision apply for Volunteers as for paid staff.

Volunteers will be given a clear explanation of what they are asked to do, which should never include anything they don't want to do, are not trained to do, or are not capable of doing. Should a Volunteer feel that he or she would be better suited to another type of work, this will be discussed and any changes will only be made by mutual agreement.

Volunteers should always be thanked for their efforts, and their work and achievements should be formally recognised.

Health and Safety

NYCC has a duty to the Health and Safety of all employees (paid and voluntary) at all times. However, Volunteers must recognise that everyone also has an individual responsibility for their own health and safety and that of work colleagues.

Insurance

Whilst engaged on voluntary activities for NYCC, Volunteers are fully covered by NYCC's third party liability and personal accident insurances.

Volunteers' responsibilities

Volunteers are expected to behave in a responsible and professional manner whilst working on behalf of NYCC. They should not do anything that might bring NYCC into disrepute and must abide by the policies of NYCC. Volunteers will also be bound by normal professional rules of confidentiality in respect of any information concerning other Volunteers, staff or NYCC business.

Expenses

Volunteers at Cononley Community Primary School will not be asked to undertake any activity which requires them to spend any of their own money.
